Tyler Ellen Quackenbush

Senior UX Designer and Project Manager · Making complex topics simple

tyler.qbush@gmail.com · (678) 451-4471 · linkedin.com/in/tyler-qbush · tquack.com · Dahlonega, GA (remote)

SUMMARY

Senior UX designer and project manager with over 10 years across federal and higher-ed work, from 10-day prototype sprints to a company-wide AI course. Working rule: make the problem simple, then solve the simple problem. Even-keeled and facts-first: when work stalls, finds the blocker and gets the right people talking.

EXPERIENCE

Senior UX Designer · Project Manager, Agile Defense University

Nov 2021–present

Agile Defense (formerly Intellibridge) · *Federal and commercial digital services firm. Project manager for Agile Defense University since 2026 and Experience Studio since 2024.*

- Set up a Figma design system in about half a day for a course video pipeline, taking output from one module in two weeks to three modules in three days, 2 days ahead of schedule.
- Project-managed a 16-week, 8-sprint defense data fabric pilot with a 13-person team and 5 government stakeholders; it went live in 16 weeks and drew requests for similar systems.
- Helped build AI Foundations, a plain-language AI course required for all employees before using internal AI tools; manage Agile Defense University, reaching around 1,500 employees.
- Help design and run 10-day Pre-Discovery sprints that put interactive prototypes in front of federal prospects before competitors submit proposals, helping win contracts.
- Helped create Fast Plays, about 15 templated workshop methods that set up a discovery workshop in minutes, and TASK Agents for AI research synthesis.
- Project manager for Experience Studio, a 4-person design team; co-led the Labs project management office for 6 months after a merger.

UX Content Designer

2022

Novant Health (via Accrue Partners) · *Healthcare website redesign and CMS migration. Part-time contract.*

- Prototyped about 50 page layouts a week, about 10 minutes each, and helped create a drag-and-drop design system.

Web Designer

Sep 2016–Nov 2021

University of North Georgia

- Led UX/UI design on a research-driven redesign of a 5,000+ page site, consolidating 20+ site menus into one structure.

SKILLS

Research: Discovery research and workshops · Usability testing · Surveys and analytics review · AI-assisted research synthesis

Design: Information architecture · Rapid prototyping · Design systems (USWDS) · Figma and Mural

Delivery: Project management · OKR-driven delivery · Agile and Scrum · Jira and Confluence · Claude and ChatGPT

EDUCATION

Bachelor of Arts, English Literature

University of North Georgia

Certifications and coursework

SAFe for Teams (Scaled Agile) · UX/UI Design for Gaming (ELVTR) · Interaction Design Foundation
